

REALITY TV CONTESTANT VETTING

TITUS RISK SERVICES

A Partnership between Titus Security
& Lines of Excellence Consulting

★ SIMPLE FACTS ★

WE'VE GOT YOUR BACK!

We make it **easy, so easy** & then you focus on the work **you** do best.
You get the contestants you want
(cross our hearts, we give it to you straight!).

WE MANAGE THE RISK

We simply do great work and know what we know, **REALLY** well
(no bull here - we don't play).

OUR CREDENTIALS SPEAK FOR THEMSELVES

(especially with those key players) because - bottom line, we are the true experts,
not a couple of people outsourcing to so-called experts. Everyone needs the real-deal
intellectual over-achievers on their side, especially because we know people **really** well...

HOW DO WE KNOW PEOPLE SO WELL?

Because we don't just watch cop shows and psycho thrillers, we've lived them as the
'real-deal' professionals - on the streets of hard-core cities & in hospital psych wards.
What does that mean for you?? We can truly tell the difference between eccentric
and... not the best choice, but ultimately stand behind whatever decisions needs to be
presented to... whomever.

WHAT DO YOU GET??

Unprecedented background checks; All the Reporting & Feedback presentations you
need - geared to whomever you need; On-Location services; Ongoing advice & all of it
no-nonsense.

Need more info & want to explore your options?
